

HIAB COURSE

General Course info:

The HIAB (truck mounted crane) course covers the safe and effective operations of truck mounted load lifting equipment including:

- Preparation of the equipment for use
- Preparation of the worksite for operation
- Load preparation and transfer
- Re-positioning/securing the equipment ready for transport.

At the conclusion of the course trainees will be assessed against Unit Standard 1754, Operate truck mounted load lifting equipment, to ensure competency in the use of the equipment has been attained.

Duration: 4 hours

Pre-requisite:

Appropriate class of licence for the associated vehicle being operated.

Prices:

Pricing for the HIAB course will depend on whether Cornerstone Training & Management Services Ltd can/ can not draw Government funding on the trainees behalf.

If funding is available, access to funding is only available if the trainee can provide; confirmation of New Zealand, Tokolauan, Nuiean, Cook Island or Australian citizenship via one of the following; a copy of their birth cert, passport, or Statement of Whakapapa (signed by the Kaumatua and detailing parentage, place and date of birth); or provide evidence of permanent residency via a copy of their residency passport stamp (to include copy of personal details page) or residency letter from Immigration. Funding can not be provided if trainee is enrolled in school or if another government organisation is paying for the course on behalf of them e.g. Work and Income.

Please note: That should all trainee(s) be eligible for funding they will be enrolled on a Polytechnic course. If any of the trainee(s) are not eligible for funding they will be charged a full cost recovery rate confirmed at the time of negotiation. Those that are alligible for funding support will still be enrolled with the polytechnic.

If you have any further queries don't hesitate to contact us at the office on 0508-267-637.
